EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 9 prior to "first" insert --the--.

In claim 2, line 2 delete "paste".

In claim 17, line 2 prior to "electronic" insert --said--.

2. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest hermetically sealed electronic components including a plurality of the components, a first wafer having a plurality of first seals around the perimeters of the components and being segmented by a plurality of cuts between the components; a second wafer bonded to the first to enclose the components with the second wafer having a plurality of second seals corresponding to the first seals; and a solder joining corresponding ones of the first and second seals. Nor the prior art teach the method of producing such hermetically sealed electronic components.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
